## **Deadline Approaching in Ohio for SBA Working Capital Loans**

**ATLANTA** - The U.S. Small Business Administration is reminding small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private nonprofit organizations that **May 11** is the filing deadline for federal economic injury disaster loans in **Ohio** as a result of the frost and freeze on May 7 - 15, 2017.

This disaster declaration includes the following counties: Ashtabula, Cuyahoga, Geauga, Lake, Portage and Trumbull in **Ohio**.

Under this declaration, the SBA's Economic Injury Disaster Loan program is available to eligible farm-related and nonfarm-related entities that suffered financial losses as a direct result of this disaster. With the exception of aquaculture enterprises, SBA cannot provide disaster loans to agricultural producers, farmers, or ranchers.

The loans are for working capital and can be up to \$2 million with interest rates of 3.215 percent for eligible small businesses and 2.50 percent for nonprofit organizations, and terms up to 30 years.
